

Oracle Certified Java 8 Professional (O C J P 8)

- Considering the worsening job scenario & increasing competition, it is always better to keep oneself updated with all the latest technologies & in demand skills. To stay ahead in the race, one should definitely consider OCJP certification.
- OCJP is an **international online certification exam** on Java conducted by Oracle. Like GRE, its score is internationally accepted. Remember you will never be giving any theory exam on java. Hence, a good score in this exam will put you ahead of others in job interviews & MS admissions.
- For maximum student benefit, we also offer a "Project Internship" in Java along with this course. At the end of course, students will get a "**Project Internship & Course Completion Certificate**". Course also includes few practical sessions. Other Course highlights:
 - ❖ Printed Notes of approximately 400 pages.
 - ❖ MCQ based test at the end of each chapter, 4 full-length mock tests.
- To know more about **OCJP** we suggest that you watch our short youtube video. For video link whatsapp "OCJP" to 9821882868.

Schedule & Fees of OCJP

Venue	Day	Timing	
Vacation Batches (Recommended for 3rd & 4th Year Students)			Fees: 9750/-
MULUND		13 June to 29 June - 12.15 PM to 4.30 PM (with 20 min break)	
VASHI		13 June to 29 June - 5.15 PM to 9.30 PM (with 20 min break)	
BORIVALI		01 July to 13 July - 12 PM to 5 PM (with 30 min break)	
❖ Weekly Off for above batches will be on Sunday or Saturday.			Discount: 1000/- if you join till 10 th May.
❖ For Borivali batch, if college opens earlier, than lectures will be in evening.			
Regular Batches			Effective Fees: 8750/-
MULUND	Sun	8.00 AM to 11 AM (with 15 min break)	
VASHI	Wed	6.30 PM to 9.30 PM (with 15 min break)	
BORIVALI	Tue	6.30 PM to 9.30 PM (with 15 min break)	

The OCJP certification course is not a part of MU syllabus. The course fees for OCJP **DOES NOT INCLUDE** the certification exam fees which students have to pay to Oracle directly.

P.T.O.

COMBO OFFER:

5000/- discount on joining both OCJP & Web Development till 10th May.

Web Development or Internet Programming

- WD/IP is probably one of the best subjects which MU has kept in semester 5 (COMP & IT). In this subject, you will be learning technologies like Javascript (which has nothing to do with java), HTML5, CSS, PHP, SQL, AJAX, JSON etc. Knowing this subject very well will not only help you in your exam but will also make you **JOB-READY**.
- For WD, IT students will have theory exam of 80 marks although COMP students will not have theory exam. However, both COMP & IT students will have submission of mini-project and practical exam for this subject.
- Apart from preparing you for your exam, this course intends to be totally project-oriented in which we will do some useful real world projects. At the end of the course, you will get "**Project Internship & Course Completion Certificate**" also.

Why should You take Web Development seriously ??

Well, there is lots to say about why you should take it seriously, but for time being all we will say is that this course introduces you to **JavaScript** which has emerged as the most **sought-after** language in the world. To know more about this course & its importance, we strongly suggest that you watch our short video. Whatsapp "WD" to 9821882868 for link.
